TO THE COMMISSIONER OF PATENTS
PO Box 1450
Alexandria, VA 22313-1450REQUEST FOR CERTIFICATE OF CORRECTION PURSUANT TO
37 C.F.R. 1.322

Upon reviewing the claims, the patentee's attorney noted that the following typographical errors were made by the Patent and Trademark Office, which should be corrected as follows:

In column 3, line 14 of the Patent, change "an" to -in--.

In column 5, line 45 of the Patent, change "desirable" to --desirably--.

In column 7, line 1 of the Patent, change "An" to --A--.

As to the above-described errors, a review of the Preliminary Amendment filed with the Patent and Trademark Office on 8/19/2004 confirms that the errors were made by the Patent and Trademark Office in the printing of the patent since the specification was allowed without the above-described typographical errors first being entered by the Patent and Trademark Office.

Attached is form SB-44, as required. Since this error for which a Certificate of Correction is sought is a result of a Patent and Trademark Office mistake, no fee is due (35 U.S.C. §254).

Respectfully submitted,

PATRICK MICHAEL DWYER
